

Exercise

There are 10 categories in the C online Test: <https://www.javatpoint.com/c-quiz>

In each category, a student selects a quizz set. Totally, a student needs to complete 10 quizz sets.

The student needs to pass the test (100% accuracy) and captures a screenshot of the passed test

The report in pdf includes 10 screenshots showing "passed" results. The report must have a format:

"Exercise1-firstname-lastname.pdf"

Submit the report to the path: Automaation tietotekniikka 2 TX00DT10-3006/Documents Integraation standardit ja menetelmät (Tuan Nguyen)/Exercises/ Exercise 1- C quizz test

Deadline: 23.59.00 (Monday 26.08.2024)
